Dear Robert,

I have just received the very sad news of Audrey's passing. An expression of sympathy on a piece of paper cannot even come close to saying what I want to say to you at this moment. Yours is a loss that can only be felt in the heart -- and it is only between my heart and yours that communication of this great sadness can be made.

A beautiful, shining light has dimmed -- but will continue to shine in all of those she has touched with her stunning performances, and in the eyes of every child she has reached through her exemplary humanitarian work for UNICEF.

All of Audrey's UNICEF family share your grief at this moment. She will live forever in tender memory with each one of us.

With deepest sympathy and love,

Jim Grant
