DATA SHEET 7  
on day care centres  
in the town

---

1 - Existing day care centres

One existing day care centre was visited as an example of the type of day care centres operating in the town at the present time (see photo below).

The time available did not allow us to collect extensive and general datas on the number and enrolments of the various day care centres of the town.

2 - New day care centre

The site of the future day care centre for about 250 children (likely to be built with UNICEF assistance) was inspected. It is a suitable 1 ha plot of land located in the centre of an important dwelling zone in the northern part of the town. About

Bac Giang, Ha Bac Province  
(continued)

half of the 4-5 storeys dwelling houses envisaged in the development master plan of the zone have been built already (see photo below)
